To Proverbs Men:

My name is Nicholas Pillot and I just wanted to let you know that Trinity Baptist Church in Nashua, NH has a Men's Adult Bible Fellowship called "Proverbs Men" that get together every Sunday morning studying the book of Proverbs.

We are using the book that is recommend from your website "Proverbs Bible Study Series by Warren W. Weirsbe". This study has been a true blessing not only to myself but to all the men in our group. We have such a great appreciation for the book of Proverbs as Wisdom warns us of the temptations of this world but directs us to live life God's way.

Just finished reading your post on your website and wanted to let you know that we are studying Proverbs also.

God bless,

Nicholas Pillot
